MEMORANDUM TO: Assistant Director for Policy Coordination  
FROM : Assistant to Deputy Director (Plans)  
SUBJECT : Albanian Operations

1. At this morning's meeting with the Director, he discussed at some length and questioned seriously the value of our Albanian Operations. He noted what he considered to be the large amount of money and effort which CIA is pouring into this program. He could not understand what we are accomplishing or, more important, what we are trying to accomplish.

2. The Director indicated that he would like to have a Status Report on the Albanian Operations. He mentioned that he would particularly like to know what guidance we have received from the Department of State and what their attitude is toward the program. After receiving this Status Report, he will decide whether or not he wants a full-dress presentation and discussion.

3. Will you please arrange to have this Status Report made available to me for presentation to the Director?
